FRESH VEGETABLES

Onions (Nashik)

Famous for their shelf-life and pungency; available in 55mm+ sizing.

Okra (Lady's Finger) & Drumstick

Tender, non-fibrous and freshly harvested for international markets.

Aubergine (Brinjal)

Glossy, firm and residue-free vegetables packed to retain freshness.

Cauliflower

Snow-white, compact and clean; hand-picked for premium export quality.

SEASONAL FRUITS

Mangoes (Alphonso / Kesar)

Air-freight specialists for the world renowned Indian Mango varieties.

Cavendish Banana

Premium quality, uniform size and carefully graded for global markets.

Pomegranates (Bhagwa)

Sweet, ruby-red arils with firm skin for ideal export durability.

COCONUT

Coconut

Semi-husked, weights ranging from 550g–700g; available in bulk bags.

We utilize Reefer (Refrigerated) containers with precise humidity and ventilation settings for every fruit and vegetable shipment to ensure they stay fresh until they reach the shelves of our importers.
